REQUEST FOR REFUND

Assistant Commissioner of Patents
Washington, D.C. 20231

SIR:

On June 9, 1999, applicant was charged \$55.00 on our Deposit Account No. 120555 for the above-identified application. It is believed that this charge is in error for the following reason.

Applicant received an Office Action for this application dated February 12, 1999. An amendment was timely filed on May 10, 1999 and a copy of that response together with a copy of our date-stamped postcard is attached hereto. Since the amendment was timely filed within the three-month response period, an extension of time was not required.

It is therefore requested that Deposit Account No. 120555 be credited \$55.00 for the above-identified application.

Date: August 17, 1999

Respectfully submitted,
